Dear Col Mc Neil Campbell,

The Industrial School at Mysore on which Govt has for the past ten years been spending something like ten thousand Rs a year is in a State far from Satisfactory the reason as I presume, being the want of proper Supervision and guidance due to the Headmaster or rather Superintendent being also ex officio Secretary with no body over him to check his work I think early arrangements should be made to relieve him of his ex officio duties and to see that he does his work as Headmaster or Superintendent properly The Hon Secretary's duties are not onerous nor do they in anyway interfere with the Satisfactory discharge of his official duties either at head quarters or

or on town. It is proposed, with your consent of ~~[illegible]~~, course, to abbount as Hon Secy Mr Nagvekar Executive Engineer Supervise Division. Under his guidance, I have no doubt the institution will prosper and justify the liberal treatment ofrd by Government. I understand that he is not unwilling to become the Hon Secy to the Committee of management of which he, as Executive Engineer, is already a Member. May I request your kind approval of this arrangement.

An early line in reply will oblige

Yours sincerely,

"Signed" C Sreenivasa Iyengar

Secretary to the Government of Mysore
General & Revenue Departments,
Bangalore

SIR,

I have the honour to inform you that at a meeting of the Committee of the Mysore Industrial School held on the 10th February 1902 it was resolved that Mr. A S Nagavarkar Executive Engineer Mysore Division might be requested to take up the duties of Honorary Secretary of the Industrial School. Mr. M V Srinivasaraya, Superintendent of the Industrial School was appointed Honorary Secretary of the Committee by Government Order No 12425–30, Ed 381, dated 17th May 189

The combination of the offices of Superintendent and Honorary Secretary in the same person has not proved satisfactory As Mr. Nagarakar who has lately taken charge of the office of Executive Engineer Mysore Division has expressed his willingness to accept the office of Honorary Secretary, I request that Government may be good enough to approve of his appointment as Honorary Secretary. It is expected that the state of the School will improve under the supervision which Mr. Nagarakar will exercise as Honorary Secretary

I have the honour to be,
Sir,
Your most obedient servant,

H J Bhabha
Inspector General.

Letter No 7552/249 dated the 3rd March 1902 proposing for certain reasons the releif of Mr I V Sreenivasiengar Suptt of the Industrial School Mysore, of his additional duties as Honorary Secretary of the Committee of Management of the said institution and the appointment of Mr A S Nagavkar Executive Engineer, Mysore Division, as Honorary Secretary

Education 610/1901 2

Read also D O dated 13th March 02 from the Chief Engineer in Mysore, and Secretary, D P W , stating that he has no objection to the appointment proposed if Mr Nagavkar thinks that his duties as Hon Secretary will not interfere with his legitimate duties

No 15485-6 Mis 2211 of 17/3/02

Order thereon

Government consider it desirable that Mr Sreenivasiengar should be relieved of his additional duties as Secretary , so as to enable him to devote the whole of his time and attention to the work of the School as Suptt Mr Nagavkar, Executive Engineer, Mysore Division, is accordingly appointed Honorary Secretary without prejudice to his duties in the D P W It is hoped that the Industrial School, which of late has not been in as satisfactory a

a state, as could be desired, will under the new arrangement, with a Superintendent relieved of extra duties and a Secretary sure to exercise more efficient supervision than heretofore, show a material improvement in the near future and and prove an exemplar to similar institutions elsewhere in the State both as regards usefulness and efficiency and as regards the practicability of Industrial Schools being conducted generall on good business principles
